

Jeffrey Proudfoot

Acting Executive Director

Major Assignments/Professional Experience

Mr. Proudfoot assumed duties as the Acting Executive Director for PEO Digital & Enterprise Services on March 7th, 2025.

He enlisted in the United States Marine Corps in May 1995, completing recruit training at Marine Corps Recruit Depot (MCRD) San Diego, California, in August 1995. Following Marine Combat Training at the School of Infantry-West, Camp Pendleton, California, he served as an Amphibious Assault Vehicle Crewman.

In June 1999, then a Sergeant, Mr. Proudfoot reenlisted as a Small Computer Systems Specialist after completing the required course at Marine Corps Communication-Electronics School (MCCES), Twenty-Nine Palms, California.

His enlisted assignments include tours with the 3D Assault Amphibian Battalion, 1st Marine Division, I Marine Expeditionary Force; the 31st Marine Expeditionary Unit; the 15th Marine Expeditionary Unit; and 8th Communication Battalion, II Marine Expeditionary Force. He completed eight years of active-duty service in March 2003.

Following his military career, Mr. Proudfoot supported the Defense Logistics Agency as a Network Engineer and served as a Deployed Support and Datacenter Integration Engineer at the Marine Corps Network Operations and Security Center.

His previous civilian roles include Lead Network Engineer, Chief Engineer, and Technical Director with the Marine Corps Cyberspace Operations Group.

Mr. Proudfoot holds a Bachelor of Science degree in Computer Science from Park University and is a Certified Information Systems Security Professional (CISSP).

His personal decorations include the Navy and Marine Corps Achievement Medal (with one gold star) and the Civilian Service Commendation Medal.
